

ELECTRO CLEAN

TECHNICAL DATA SHEET | 7125

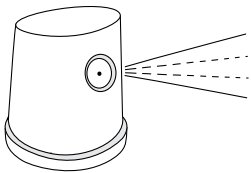

ELECTRO CLEAN Non Flammable Heavy Duty Electrical Equipment Cleaner

- Non-flammable heavy-duty electrical equipment cleaner
- Fast evaporating, residue free finish
- Removes oil, grease, wax and contaminants
- Repels water and moisture effectively
- Non-corrosive, non-staining formulation

Safety Data Sheet

Standard Conical Spray

Chemz Electro Clean is a powerful, heavy-duty cleaner formulated with a specialised blend of solvents for cleaning and degreasing electrical, mechanical and auto-electrical equipment. The non-flammable, non-corrosive formulation features controlled evaporation to ensure deep cleaning while leaving no residue or staining. It effectively removes oil, grease, wax, fats, moisture, silicone, wire-pulling compounds and conductive particles that cause current leakage and electrical inefficiencies, helping improve performance and extend equipment life. Free from petroleum solvents, CFCs and carbon tetrachloride, Chemz Electro Clean is ideal for electric motors, high-voltage switchgear, transformers, generators, compressors, circuit breakers, relays, bus bars, air tools, cables and high-voltage cable splicing and termination.

CHEMZ CONTACT CLEAN

CODE: 7125

SIZE: 400ml/ 600gm

PROPELLANT: Hydrocarbon

MPI APPROVED C12 (All animal products except dairy)

PRECAUTIONS: Read label before use. Keep out of reach of children. Do not handle until all safety precautions have been read and understood. Wash hands thoroughly after handling. Gloves and eye protection are recommended in an industrial environment. Use personal protective equipment as required. Avoid breathing vapours/spray. Use only in a well-ventilated area. In confined areas, use a respirator. Do not eat, drink or smoke when using this product.

DIRECTIONS: Test a small area first, as this product may affect some plastics or paint. Remove heavy deposits by scraping. Shake the can well and spray liberally, ensuring complete coverage. Allow excess to run off and repeat if necessary.

APPLICATIONS:

INDUSTRIAL & MANUFACTURING - Cleans motors, switchgear, transformers and compressors

TRANSPORT & LOGISTICS - Cleans relays, bus bars, cables and air tools

CONSTRUCTION & MINING - Cleans circuit breakers and electrical equipment

RURAL & AGRICULTURAL - Cleans generators, motors, farm machinery electronics

MARINE & FISHING - Cleans high-voltage cable splices, onboard electrical systems

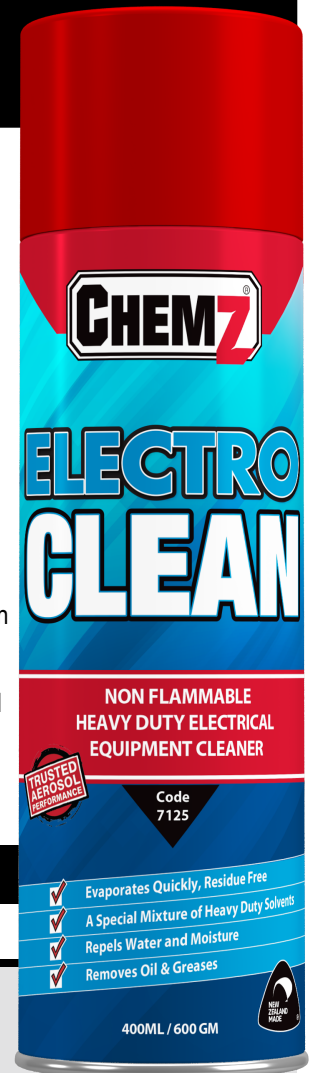

Appearance	Clear liquid
Odour	Mild ethereal
KB Value	130
Specific Gravity	1.5
Flash Point	None
Flammability	Non-flammable
Propellant	Carbon Dioxide

MANUFACTURED BY:

CHEMZ Limited, 80 Rangitane Road
Whakatu, Hastings, 4180 New Zealand
