- Cleans, polishes and protects stainless steel surfaces
- Foaming spray delivers streak-free shine
- Leaves light protective, fingerprint-resistant film
- Non-greasy finish after single application
- Suitable for chrome, aluminium and stainless steel

Safety Data Sheet

Wide Top Conical Spray

Chemz Stainless Steel Cleaner is a white, non-evaporating foamy spray designed for easy cleaning and polishing of stainless steel surfaces. It effectively cleans and polishes in one application, leaving a streak-free, shiny finish without greasy residue. The light protective film helps reduce blemishes such as fingerprints while enhancing surface appearance. Suitable for use on all grades of stainless steel, including bead-blasted finishes, Chemz Stainless Steel Cleaner is also effective on chrome, aluminium and other compatible metal surfaces.

CHEMZ STAINLESS STEEL CLEANER

CODE: 7165

SIZE: 500ml

PROPELLANT: Hydrocarbon

MPI APPROVED C22 (All animal products except dairy)

PRECAUTIONS: Read label before use. Keep out of reach of children. Pressurised container: Do not pierce or burn, even after use. Wash hands thoroughly after handling. Gloves and eye protection are recommended. Avoid breathing vapour. Only use in a well-ventilated area.

DIRECTIONS: Shake can well before use. Spray on surface to be cleaned. Allow foam spray to act then wipe off with a lint free cloth or paper towels. To maintain stainless steel polished finish, clean at regular intervals. **NOTE:** Please carry out a test spray on surface prior to application.
